

BKR International >

A leading global association of independent accounting and business advisory firms

As a member of BKR International, we can offer our clients the expertise of a worldwide association of accounting professionals – providing opportunities to explore new landscapes, make new connections and gather critical business information.

BKR member firms offer a personal, local service which is supported by the expertise of a global association.

Being part of BKR International helps our clients eliminate the barriers to expanding their businesses. Through our fellow members we can deliver the highest quality accounting, tax and consulting services across the globe.

Quality control of BKR members

Firms selected for membership in BKR International are known for their high standards, creative expertise and local influence. Member firms provide professional advice designed to help clients achieve their unique objectives, both locally and worldwide.

BKR firms adhere to and uphold the highest professional and ethical standards as required by their local regulatory authorities, maintaining rigorous standards of excellence throughout the world.

Whatever your business, we can help you take advantage of global opportunities and operate efficiently, secure in the knowledge that BKR International members are looking after your business interests.

Professional Services from BKR

BKR's member firms offer a full range of professional services. BKR takes a proactive role in helping members, and clients of members, achieve their unique business objectives through a tailored, practical approach.

"All of the clients we have referred to BKR member firms have received an excellent service" (Quote from a fellow BKR member)

Services of BKR firms include:

- Auditing and accounting
- Tax planning, preparation, and consulting
- Mergers & acquisitions and due diligence
- Corporate recovery
- Business valuation
- Forensic accounting and litigation support
- Sources of finance and financing arrangements
- Estate planning and wealth management
